

Dear Parents,

Throughout the year your child's image, voice or work may be published publicly by the school. On occasions your own image may also be used. This may be on a small scale such as a school/class display or, on a more substantial scale, such as a radio broadcast. The sense of pride and achievement children have from such recognition is priceless.

Rather than fill in separate forms for each occasion, please sign the permission slip below, once for the **whole** year (renewable annually). If at any time you change your mind and wish to withdraw your permission, extra copies of this form are available from the office or the school website: www.nareg.com.au/stg/

St Gregory's Armenian School will at all times attempt to ensure compliance with these requests, but it must be recognised that accidental inclusions may occur (such as photos of massed school activities). Please inform the School if this occurs.

Please note if you have more than one child at St Gregory's, a separate form for each child must be completed.
